INVESTIGROUP COMPANIES2003 to Present

CEO**Financial/Tax/Management Consultant**

Determines and investigates problems within the business strategy, policy, markets, organization, and processes. Assembles and analyzes all obtainable data; formulates recommendations for action; examines broader managerial and business implications; and collaborates with clients to establish the most appropriate course of action to ensure clients receive the necessary assistance required to properly implement all recommendations. Collates data; processes data to be presented to clients; interviews clients' employees in addition to management teams and other stakeholders; and conducts secondary research utilizing external sources, publications, and the Internet. Oversees cost reduction, streamlines operations, and develops marketing strategies. Assists corporate and individual clients to prepare taxes and provides expert advice to clients as well as audit tax records to be in regulatory compliance. More recently developed solutions that mitigates commercial and home foreclosures by developing strategies aimed at assisting clients restructure the terms of their mortgages so that they keep their properties.

SEARS, ROEBUCK AND COMPANY

2004 to 2005

Promotions Manager/Intern

Supervised a staff of promotion specialists; spearheaded promotion programs which intermixed advertising with purchase incentives to increase sales; upheld close relations with purchasers, dealers, distributors, and consumers; and promoted programs utilizing catalogs, exhibits, inserts in newspapers, in-store displays, product endorsements, and special events.

- Created and maintained lucrative client relations by improvising new ways of marketing.
- Boosted sales by 10% quarterly through organizing special events to commemorate the introduction of new lines within stores.

SAINSBURYS

2001 to 2003

Project Manager

Rendered assistance by performing various activities related to administrative, compliance, and internal affairs; ensured compliance with state laws and regulations; analyzed verbal or statistical data for report preparation for use by management; and aided executive officers as well as other members of management by analyzing and coordinating office services such as personnel, budget preparation and control, records control, and special management studies.

- Effectively managed and oversaw special projects and tasks under the direction of Senior Management.
- Implemented new standards in the time management skills of the department by multitasking and completing demanding special projects under a tight schedule and budget before the allocated time period.
- Improved the compliance procedures by suggesting and ultimately implementing the examination and certification of all staff members while remaining in compliance with all laws and regulations, thereby improving ethical and social responsibilities.

PROFILE

Dr. Kizito has a track record of being a dynamic, results-driven professional. He has over twenty years of experience as a board member, college professor, instructing, professional writing, lecturing, consulting, banking, financial analysis, project management, and process improvement. In addition, he has an extensive background as analytic expert regarding the calculus of decision-making, and problem solving. Dr. Kizito's skill set is magnified by his ability and by his ingenuity in the manner in which he effectively chooses and manages the professionals who work on his consulting teams. His primary engagements have center on the development and implementation of financial management systems and upgrades. This has been accomplished using a proven set of methods which are based on a systematic change process, that is both constrained by and in compliance with the relevant laws and regulations that apply to his clients' varied situations. He has thus established an enviable track record of successfully designing solutions to difficult engagements and then coordinating their implementation. As a result he has been credited with creating, as well as maintaining, lucrative client relationships, and boosting the sales and profitability of his company. Dr. Kizito is also an expert on financial/tax/accounting as well as housing counseling and a college professor instructing in all aspects of business studies.
